

March 8, 2009

Dear Club Presidents and Secretaries:

Just a friendly reminder that it's getting closer to our 2010 "Club Leadership Education (CLE)" and Zone Conference. These will be held in Spokane, April 9th and 10th.

Attached is your club registration packet which includes registration forms, hotel information and a map of the area. This package replaces the previously released registration forms, as there was a revision made in the "CLE" fee structure and we wanted you to take advantage of this change, so we are resending the forms. Your club can save money for each additional member that registers. Be sure to check out these savings and registration deadlines.

We are very excited about the list of topics and the presenters in the Zone Conference on Saturday this year. Some of the topics and presenters include:

- Growth and Retention - Governor Patrick Ewing
- Obligations and Expectations of Club Officers and Directors, Franchise, Insurance, Due Diligence and more..... - Past Governor Steve Emhoff
- Governor's Project - Pamela Smith
- Commitment - Claudell King
- Sponsored Leadership Programs and some of the exciting things they've been doing - CKI, Key Club, Aktion Club, and Key Leader
- Updates from our PNW District, Canadian, and International Foundations
- Parliamentary Procedure - "Better Meetings Through Better Education" - President of the Washington State Association of Parliamentarians
- Awards - what's available, how to use them, and how to present them - John Frucci and Ron Riehl
- Information from each of the Candidates running for Governor Elect

We will also have an opportunity to conduct our Division Caucuses and elect the new Lt. Governor Elects for our Divisions.

Don't forget we're also going to have a "Friday Night Social". You guessed it..... on Friday night! We have a great meal planned, a very talented musician who will be playing during the social hour and dinner, a few announcements, and a few surprises. Be sure to encourage your members and guests to sign up for this one. It's going to be fun.

We are also having raffles, silent auctions and door prizes both days as well. So you see, we're going to have lots to learn and lots of fun. We are really looking forward to seeing you here in Spokane in April.

Vicki Frucci, Lead Lt. Governor Elect, Division 46

The Group also understands that the Group's cancellation of this contract, or a substantial decrease in the number of rooms booked, will cause the Hotel to lose revenues. With this in mind, the group will have the opportunity to reduce its reservations if done so 24 hours prior to arrival without penalty. On the other hand, if reservations are cancelled inside the 24 hour time frame, the first night revenue will be charged to the guaranteed party. After the cut-off date has passed, any additional reservations for this party will be made at the house rate being offered and the discount group rate will no longer apply.
